

Name: _____ Date: _____ Period: _____

Biome Activity

Directions: Use the information in the chart on the next page and the map on the following page to fill in the missing terrestrial biomes in the biome pyramid given below (arranged by temperature and precipitation). You may need to see the map in color!

Name: _____ Date: _____ Period: _____

1. What is a biome?
2. How do we usually identify terrestrial (land) biomes?
3. How do we usually identify aquatic (water) biomes?
