

Name \_\_\_\_\_ Date \_\_\_\_\_ Period \_\_\_\_\_

**Target Practice, Unit 3 Test, Topic #1 – Cell Theory**

1. What are the three parts of the Cell Theory?

- a. \_\_\_\_\_
- b. \_\_\_\_\_
- c. \_\_\_\_\_

2. List the contributions of the following scientists involved in the development of the cell theory: Hooke, Leuwenhooke, Schwaan, Schleiden, Virchow

Scientist	Contribution
Hooke	
Leuwenhooke	
Schwaan	
Schleiden	
Virchow	

3. Explain the importance of the microscope in cellular studies:
